## **Denton County Livestock Association Statement on COVID-19**

**Denton** - We are committed to helping prevent the spread of this virus by taking prudent steps to protect our exhibitors and advisors, their families, buyers, as well as the community at large. As we have continued to monitor the spread of the COVID-19 virus, it has become clear that to protect our community, proactive rather than reactive guidance is necessary.

**The decision has been unanimously made by the board to move the 2020 Denton County Livestock Association Youth Fair and Auction to April 20-25, 2020.** All pre-fair horse shows have been canceled.

This decision came with great thought regarding our children and the safety of our community. We realize the uncertainty of the weeks ahead and will follow the guidance of our state and local governments. We ask that you be flexible to the changes we are making today and in the future. A revised show schedule will be made available at a later date.

All show updates and changes have been emailed to advisors and posted on our website at [dentonyouthfair.com](http://dentonyouthfair.com).
