

2020 Youth Fair Rule Changes

Please take note of a couple of changes that have been approved for the show in April.

Market Steers and Swine

There will be no weigh-out on the top end weight for Market Swine. The maximum floor price will be paid at 290. **No exceptions.**

If a market steer or swine exhibitor is entered in the DCLAYF already, and their HLSR or Rodeo Austin entry is **NOT** already entered at the DCLAYF, and they have not met their two species limit, they may submit an entry for that animal (\$25). However, if they already have their two entries per species at DCLAYF, they have the option to substitute entry.

Market Goats and Sheep

If a market goat or sheep exhibitor is entered in the DCLAYF already, and their Rodeo Austin entry is NOT already entered at the DCLAYF, and they have not met their two species limit, they may submit an entry for that animal (\$25). However, if they already have their two entries per species at DCLAYF, they have the option to substitute entry.

Substitution Examples

- Example: Exhibitor A has two market steers/pigs/sheep/goats, entered at DCLAYF and their Houston/Austin animal is not one of them.
 - They may substitute that animal in, still only bring two to the show, but has the option to bring that substituted out animal back on Saturday for floor truck.
- Example: Exhibitor B only has one animal entered at DCLAYF.

- He wants to bring his Houston/Austin steer or barrow or Austin Sheep/Goat to county. He would submit an entry with \$25 for the Houston/Austin entry.

All entries or substitutions must be delivered to Ralph Hawkins **ABSOLUTELY** by Friday, April 3, 2020, at 5 pm. No mail-in entries or postmarks. Substitutions may be submitted via email to this email address on or before Friday, April 3, 2020, at 5 pm.

Market Broilers and Rabbits

- There will be no weigh-out on the top end weight for market broilers or rabbits.
- Broiler show will become a 1 Bird Roaster show
